18th Annual CSS Memorial Golf Classic & Auction
In Memory of Harry Knight

Harry Knight was born on March 22, 1922 in Anselmo, Nebraska. Being nine when his father died, Harry assumed many responsibilities usually reserved for older children or even adults. It was in Anselmo where he met and eventually married his wife Helen, a school teacher. In 1955, Harry and his brother Bill started Knight Plumbing with \$500 (and his fifth child on the way). Harry maintained his great love for the Catholic faith ever since his childhood days as an altar boy. He lived this out by performing many works of charity, both large and small, over many years to numerous individuals among the laity, clergy and religious. His great love for others was most evident by the love and time he spent with his dying mother, and wife Helen. In his lifetime, Harry literally spent countless hours of free labor repairing and reconditioning equipment for the needy. His works of charity did not cease after his retirement. He continued to help people with both plumbing and woodworking. If you wanted to find Harry, you could just look in his workshop. There you would have found him working away- on a project for someone else. Eternal rest grant unto him O Lord, and let perpetual light shine upon him; may his soul and all the souls of the faithful departed through the mercy of God rest in peace. Amen!
